Dorchester County Public Schools
Office of Student Services
Enrollment of Homeless Students

I. PURPOSE
To provide procedures for the identification and enrollment in school of homeless students from Dorchester County so as to maintain a stable educational environment by minimizing the effect of transition on academic achievement when in the best interest of the student. DCPS policies, regulations, and procedures should not be applied to act as a barrier to the enrollment of homeless students.

II. Definitions
A. Homeless Students are students who lack a fixed, regular, and adequate nighttime residence, whether or not the temporary housing is located in Dorchester County, and who are otherwise eligible to receive educational services from DCPS. The term homeless student includes:

1. Students who are sharing housing of other persons due to loss of housing, economic hardship, or a similar reason; are living in motels, hotels, or camping grounds due to the lack of other adequate accommodations; are living in emergency shelters or transitional housing (time limited housing programs which provide supportive services); are abandoned in hospitals; are runaways living in shelters or other inadequate accommodations; or are awaiting foster care placement

2. Students who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings

3. Students who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings

4. Migratory students as defined under federal law who qualify as homeless because they are living in the circumstances mention above

B. School of Origin means the school the student attended when permanently housed or the school in which the student was last enrolled.

C. Unaccompanied Homeless Student is a homeless student not in the physical custody of a parent or guardian.
III. Procedures

A. Identification

1. If the family of a new student, upon enrollment declares themselves to be homeless, the student should be considered homeless. If the family requests the shared housing form, further inquiry is required to determine whether the student should be considered homeless.

B. School Placement

School placement decisions should be made on the basis of the best interest of the homeless student. The best interest of the student could be served by either:

1. continued enrollment in the school of origin for the duration of the homelessness if a family becomes homeless during an academic year, or for the remainder of the academic year if the student obtains permanent housing during the academic year

2. enrolling the homeless student in the school that serves the attendance area in which the homeless student is actually living

C. Best Interest Determination

1. In determining the best interest of the homeless student, the principal or designee shall:

   a. To the extent feasible, keep the homeless student in the school of origin except when doing so is contrary to the wishes of the homeless student’s parent or guardian

   b. If the homeless student is recommended for a school other than the school requested by the parent or guardian, provide a written explanation to the parent or guardian which shall include a statement regarding the right to appeal

   c. In the case of an unaccompanied homeless student, ensure that the homeless liaison assists in placement or enrollment decisions, considers the views of the student, and provides the student with notice of the right to appeal

2. In selecting the school that is in the best interest of the homeless student, the following process should be followed.

Parent/guardian and school personnel shall determine which school will best serve the interests of the student upon consideration of the following factors:

   a. The student’s age

   b. The school which the student’s siblings attend
c. The student’s experiences at the school of origin

d. The student’s academic needs

e. The student’s emotional needs

f. Any other special needs of the family

g. Continuity of instruction

h. Length of stay in the current living situation

i. The likely location of the family’s future permanent housing

j. Time remaining in the school year

k. Distance of commute, the impact it may have on the student’s education, and other student-centered transportation-related factors

l. The safety of the student

D. Enrollment

1. The school which is determined to be in the best interest of the homeless student must immediately enroll the student, even if the student is unable to produce the records normally required for enrollment, such as school records, birth certificate, immunization record and guardianship records.

2. The enrolling school shall immediately contact the school last attended by the homeless student to obtain relevant academic and other records.

3. Homeless children who seek to enroll with an adult who is no their parent or guardian shall be enrolled in school as quickly as possible and no later than four school days after first requesting enrollment.

4. If the homeless student needs to obtain immunizations, or immunization or medical records, the enrolling school shall immediately refer the parent to the Pupil Personnel Worker who shall facilitate obtaining the necessary immunization or immunization/medical records.

E. Comparable Service

Each homeless student shall be provided services comparable to the services offered to other students in the school which the homeless student attends. Such services include:

1. Transportation services, including to the school of origin, unless the student resides within the walking distance established by the Board of Education.
2. Educational services for which the student meets the relevant eligibility criteria, such as services provided under Title I, educational programs for students with disabilities, and educational programs for students with limited English proficiency

3. Vocational and technical education programs

4. Programs for gifted and talented students

5. School nutrition programs (Free or Reduced Meals)

F. Records

For each homeless student, any record ordinarily kept by the school, including immunization or medical records, academic records, birth certificates, guardianship records, and evaluations for special services or programs, shall be maintained in accordance with DCPS and State of Maryland policies, so they are available in a timely fashion when the student enters a new school or a new school district.

G. Homeless Liaison/Pupil Personnel Worker

The homeless liaison/Pupil Personnel Worker shall ensure that:

1. Homeless students are identified by school personnel and through coordination activities with other entities and agencies

2. Homeless students enroll in and have a full and equal opportunity to succeed in school

3. Homeless students and families receive educational services for which the students and families are eligible, including Head Start programs and preschool programs

4. The parents of homeless students are informed of the educational and related opportunities available to them and are provided with meaningful opportunities to participate in the education of their children

5. Public notice of the educational rights of homeless students is disseminated where such students receive services such as schools, family shelters, and DSS

6. Enrollment disputes are processed according to applicable procedures

7. The parents of homeless students, and unaccompanied homeless students, are fully informed of all transportation services, including transportation to the school of origin, and are assisted in accessing such transportation

H. Enrollment Disputes

1. If a dispute arises over school selection or enrollment in a school:
a. the homeless student shall be immediately admitted and provided transportation to the school in which enrollment is sought (the school of origin or school in the attendance area where the student actually lives) pending resolution of the dispute

b. The parent shall be provided with a written explanation of the school’s decision regarding school selection or enrollment, including the right to appeal the decision

c. In the case of an unaccompanied homeless student, the homeless liaison or Pupil Personnel Worker shall ensure that the student is immediately enrolled and provided transportation to the school in which enrollment is sought (the school of origin or school in the attendance area where the student actually lives) pending resolution of the dispute

2. Disputes regarding enrollment, school selection and services to be provided shall be addressed as follows:

a. Upon receipt of a written complaint from the parent of a homeless student, or an unaccompanied homeless student, the principal/Office of Student Services shall resolve the complaint within five school days

b. If the parent of the unaccompanied homeless student is dissatisfied with the resolution, or if the principal does not issue a decision within five days, the parent or the unaccompanied homeless student may file a written complaint with the superintendent

c. The superintendent shall issue a decision with ten school days

d. If the superintendent does not issue a decision with ten days, or if the parent of the unaccompanied homeless student is dissatisfied with the decision, the parent or the unaccompanied homeless student may appeal the decision to local board, in writing, within thirty days. Pursuant to Education Article, 4-205(c), Annotated Code of Maryland

e. The local board shall decide the appeal on an expedited basis within 45 days of receipt of the appeal

f. If the parent of the unaccompanied homeless student is dissatisfied with decision of the local board, the parent or the unaccompanied homeless student may appeal the decision to the State board, in writing, within thirty days, pursuant to COMAR 13A.01.01.03

3. During the dispute resolution process, including any appeals, the student shall remain enrolled in the school system and shall be provided transportation by the school system.
