Elementary Teachers of Social Studies Engage in Professional Development

On Monday, June 19th at Dorchester Career and Technology Center, Elementary teachers who teach **Social Studies** revised and **updated their current curriculum** which includes the **Scope and Sequence for 3rd-5th grade**. On Tuesday, June 20th in our morning session, the focus was on **Financial Literacy** (led by **Karen Kokernack** from the **Maryland Council on Economic Education**). Teachers then spent the afternoon updating our **Financial Literacy lessons**, which included resources for 3rd-5th grade. The week concluded on Wednesday as we **infused local history** into our current curriculum with a presentation from **Ann Phillips** (**Dorchester County Historical Society**) and our “teacher field trip” to the **Harriet Tubman Underground Railroad Visitors Center**.
