Sandy Hill Elementary School Recognizes Their Super HEROES!

During the **last five weeks** of school **Sandy Hill Elementary School** recognized their very own **HEROES!** Each week classroom teachers were asked to nominate a student who was not only **SWARMing**, but someone who had also displayed **HERO** characteristics. This **PBIS incentive** was kicked off with an assembly by **Omega Man**, where he defined being a Hero as **Helping Everyone Respect Others**. Students were recognized for going the **extra mile, helping teachers, and supporting other students**. **Faculty and Staff** were also recognized for going above and beyond. Each week, students and staff recognitions were displayed in our **Super Hero Showcase** for the school to see. At the end of their week, each student was given a **certificate** and either a **cape, backpack, or necklace** to show off their superhero strength.

The **superheroes of tomorrow** are in our classrooms today!
