C-SDHS Male and Female Student-Athletes for the Month of April

C-SDHS is proud to announce that the April Male and Female Athletes of the Month are:

Jasper Coles Hood and Madison Pleasants.

Jasper and Maddie have exhibited the Viking Way by being Ready, Respectful, and Responsible, both on and off the field. They are both exemplary students who do well in the classroom and are respected and productive members of their teams. Both student-athletes were recognized and nominated by their coaches and are known for their diligence, determination and excellence in the classroom.

Maddie, a Freshman, is a member of the Softball Team. Five games into the season and she had a 4-1 record as a starting pitcher and has recorded 63 strikeouts in 33 innings pitched as a pitcher and has 11 hits, 5 being home runs. Maddie is also an excellent student as she has earned a 4.0 for Q3.

Jasper, a Freshman, is a member of the Men's Tennis Team. He has compiled a 3-2 record in singles and a 2-1 record in doubles so far, this season. Jasper also takes his studies seriously as he has earned a 4.0 for Q3.

C-SDHS would like to thank The American Legion, Carmella's, Bay Country Security, The Woolford Store and Dr. Bair for sponsoring our April Student-Athletes of the Month!
