## **C-SDHS Student Athletes of the Month for March**

Cambridge-South Dorchester High School's Student Athletes of the Month for March are both known for their diligence and determination.

Brooke Windsor, a sophomore, was a member of the Women's Basketball Team this past season. She earned North All-Bayside 2<sup>nd</sup> Team Honors as voted by the coaches in the North Bayside Division and is a three-sport athlete who also competes in soccer and softball.

Senior Clint Meekins, was a member of the Men's Swim Team. At States his 400 Yard Freestyle Relay Team did very well. He is also a three-sport athlete, competing in soccer and baseball as well as swimming.

Brooke and Clint both exemplify the Viking Way, being ready, respectful, and responsible both on and off the field and in the classroom as well as being respected members of their teams.

Thank you to the sponsors of C-SDHS' March Athletes of the Month: the American Legion, Carmela's, Bay Country Security, The Woolford Store, and Dr. Bair.
