Choptank Elementary hosts a Band Concert/Workshop with Maces Lane Middle School Honors Band

An effective way to reinforce a skill is to teach it to someone else, a principle demonstrated by the Maces Lane Middle School Band on November 21 when they visited Choptank Elementary School to further hone their instrumental skills. Choptank's 50 band members, comprised of 4th and 5th grade students, were treated to a band concert by 16 members of MLMS's Honors Band. Following the concert, MLMS band members worked with Choptank's instrumentalists on their Winter Concert music, with the Choptank students very receptive to the teachings and assistance given by their older peers.

This workshop gave MLMS students a chance to perform and help others within the community. The MLMS band teacher is Ms. Ali Rodrigues and Choptank's music teacher is Mr. Brian Burris.
