SUPERINTENDENT'S UPDATE

Diana L. Mitchell., Ed.D., Superintendent

DATE November 9, 2017

Dorchester Career and Technology Center Proud!

Dorchester Career and Technology Center (DCTC) is proud of the recent achievement earned by our students at the annual SkillsUSA Maryland Fall Leadership Conference held November 2-3, 2017, at the Carousel Resort Hotel, Ocean City, Maryland. Seventeen DCTC students earned their Statesman Award. This year's Fall Leadership Conference theme was "Keys to the C's." Students were engaged with SkillsUSA activities that included leadership, teambuilding, and employability skills. Also, our students participated in a breakout session with other students and discussed the support of restoring and protecting the Chesapeake Bay. Special thanks to SkillsUSA advisor Charlene Zinnel, instructor Kastine Farmer, and chaperone Judy Clayborn for assuring the safety and fostering this leadership experience with our DCTC students.
