## Dorchester County Public Schools Volunteer of the Month for January

Dorchester County Public Schools' Volunteer of the Month for January has been a part of Hurlock Elementary School for many years. Volunteer Chico Simmons is happy to help in the classroom, in the media center, or wherever an extra pair of hands is needed. Asked what he like best about volunteering at the school he said, "Everything. I just like being here and helping out the kids."

Hurlock principal Linda Wilson said, "Mr. Simmons is a dedicated member of the Hurlock Elementary community. He has wonderful rapport with our students, staff and families. We are truly blessed to see him each and every day!"

Mr. Simmons is pictured here with some of his 4<sup>th</sup> grade friends from the school, as well as Mrs. Wilson.
