Students Who “Keep it Real” at Hurlock Elementary School Celebrate with an Ice Cream Social

On Thursday, November 30th students who “Keep it Real” at HES by receiving 0 to 1 referrals and 12 or fewer “N’s” since the beginning of the school year celebrated with an Ice Cream Social. During the Ice Cream Social students got to make their own sundae using vanilla ice cream, chocolate syrup, sprinkles, and whipped cream. Students also got to hang out with their friends in the cafeteria while they enjoyed their treat. Students demonstrate how to “Keep it Real” by following HES schoolwide rules and expectations in the classroom, cafeteria, playground, bus, and at recess. HES would like to thank Ms. Stoops for organizing this great event for our students!
