## **Hurlock Elementary School Supports Autism Awareness**

In honor of Autism Awareness month, several Hurlock Elementary staff members and supporters from the community joined together to purchase shirts to help “grow awareness” for autism. Teachers at Hurlock supported the cause by wearing the shirts to school several days throughout the month of April. Hurlock Elementary has been raising money to donate to Autism Speaks for four consecutive years. Hurlock teachers Mrs. Becca Cullings and Miss Jenna Fontaine organized the t-shirt campaign that yielded a \$650.00 donation to the Autism Speaks Foundation. Autism Speaks is the world’s leading autism science and advocacy organization, dedicated to funding research into the causes, prevention, treatment, and a cure for autism.
