Mid-Shore Community Foundation Donates to North Dorchester High School Sophisticated Ladies and Gentlemen's Clubs

The Sophisticated Ladies and Gentlemen's Clubs received a generous donation of \$3,000 from the Mid-Shore Foundation to be used for club activities, including educational trips to New York City and Lancaster, Pennsylvania. In Lancaster the groups will see the play 'Jesus', a unique opportunity to experience authentic theater performance.

The clubs, along with advisors Mrs. Benedita Gomes and Mr. Dwayne Lovett, are very thankful and appreciative of the George B. Todd Fund of the Mid-Shore Community Foundation for their partnership in making a difference in our students' future.
