NDHS Envirothon Team Qualifies for State Competition

A successful outcome at the regional Envirothon competition in Tuckahoe State Park in Denton has qualified a team of North Dorchester High School students for the statewide Envirothon contest. Seniors Jayke Conner and Nancy Velasquez-Chavez and juniors Kearson Harmon and Lizzy Chance will represent the school in the state competition which will be held in mid-June in Garrett County, going up against schools from across Maryland.

The Envirothon involves competing in four categories of environmental tasks: aquatics, forestry, soils, and wildlife.
