SUPERINTENDENT'S UPDATE

Diana L. Mitchell., Ed.D., Superintendent

DATE: March 28, 2018

North Dorchester High School Athletes of the Month for March

Athletes of the Month for March have been named by North Dorchester High School, said Dave Morrissette, the school's Athletic Director.

The Varsity honors, sponsored by Jimmie and Sook's, go to Brooke Harding and Joe Bates. Brooke was chosen by softball coach Clark Harrison because she has worked hard to keep her grades up in order to be able to participate with the team this year. She is the team captain and is known to be a hard worker in practice every day. Joe, in his 4th year on the track team, is team captain and demonstrates excellent leadership, a positive attitude, and good sportsmanship while excelling in all the distance races.

JV/Underclassmen awards, sponsored by Regal Cinemas of Salisbury, were picked up by Jacob Murphy and Brie Bates. Jacob, a sophomore, was cut from the baseball team as a freshman, and has come back with a vengeance, improving dramatically both academically and athletically. Brie, a junior, specializes in sprints and runs the 400-meter and mile relays with the track team. She sets a great example for team newcomers, working with them to help improve their performance.
