North Dorchester High School Names February Athletes of the Month

North Dorchester High School Athletic Director Dave Morrissette has announced the Athletes of the Month for February.

The Varsity Awards go to seniors Kalifa Warren and Mizell Cooper. Kalifa Warren, a three-year varsity basketball player and team captain, is recognized for her leadership and hustle. Although she is the smallest person on the floor, she is one of the team's leading rebounders. Boy's award winner wrestler Mizell Cooper has a record of 25-3 on the mat and recently placed second in the Bayside Tournament which moves him on to States. He also was recently nominated as a Presidential Scholar for his academic success.

The JV/Underclassmen Awards both go to basketball players. Jenna Usilton is a junior and first year varsity player. She is being recognized for making the most improvement since the beginning of the season, pushing herself to do better each day and staying after practice to work on technique. The boy's award goes to freshman Tajjere Dotson, again for great improvement in his sport. He has also recently had his first 20-point game.

This month's Varsity Awards are sponsored by Applebee's of Easton. Regal Cinemas in Salisbury sponsor the JV/Underclassmen awards.
