North Dorchester Hosts Scholarship Fair

On January 25, 2018, the counselors at North Dorchester High hosted a Scholarship Fair in effort to promote local scholarships that are available. There were ten scholarship organizations represented and about thirty students/parents/guardians attended. During this time, the scholarship organizations were able to meet potential recipients and answer any questions about filling out applications. Feedback from both students, families, and scholarship representatives indicated that they felt the fair was extremely helpful from all perspectives. We look forward to continuing to strengthen our relationships with the community organizations that continually support the students of DCPS!
