North Dorchester Students Names Athletes of the Month

On October 18, 2017, four North Dorchester High Students were named as the October Athletes of the month. Senior Kalifa Warren and junior Marquise Parker were name the Varsity female and male Athletes of the month, sponsored by Whitten Insurance. Freshman Megan Price and Sophomore Grant Walker were named the JV Athletes of the month, sponsored by Regal Cinemas.

Kalifa Warren, a soccer player, was selected after being called “a true leader both on and off field [who] plays every position at such a high level. Marquise Parker, a member of the soccer team, “is one of the best teammates a coach and player can have. He has made 207 saves this season as goalie.” Megan Price, a soccer player, “is always positive and tries her best and never backs down from a player who is double her size and never quits. Grant Walker, a member of the golf team, “is on the verge of breaking into the found of 40’s with his steady play on the golf team.”

All four of these athletes received gift cards from sponsors in recognition of their hard work on and off the field.
