Sherman the Shorebird “Hitting the Books” at Choptank Elementary!

Choptank Elementary School recently welcomed Sherman, mascot of the Delmarva Shorebirds, to the school to support reading outside of school. Sherman and his companion read a story to the students about the importance of persevering through tough experiences, and also promoted the team’s Hit the Books program. Through Hit the Books, children who reach their reading goals receive free tickets to a Shorebirds game. Sherman was a huge hit at Choptank Elementary!
