South Dorchester School PreK-8 Welcomes Veterans

On Friday, November 10, 2017, South Dorchester School PreK-8 held a luncheon for community Veterans, and guests Army Recruiters Sergeants Weber and Gonzalez visited along with Sergeant Bellas, a Marine Corps recruiter. These Veterans enjoyed a homemade lunch as well as shared their military experience and answered any questions students had. The school also participated in RED Friday, in which staff and students wore RED, Remembering Everyone Deployed. We thank all Veterans for their service!
