## 2018 Choptank Elementary Gym Show

Friends and family of Choptank students enjoyed the well anticipated Annual Gym Show on March 28, 2018. Physical Education Teacher Holly Edwards coordinated the show which consisted of a variety of dances and physical activities. These included line dances, aerobic dances, and other activities that were learned in PE classes. There was also a tumbling exhibition that was a crowd favorite. The tumbling team consisted of selected 4<sup>th</sup> and 5<sup>th</sup> graders who performed various skills from the forward roll to the front handspring. Congratulations to all the participating students for weeks of practice that led to a wonderful showcase of talent!!
