Dorchester County Public Schools Celebrate Farm to School Food Activities

All Dorchester County Public Schools are celebrating Farm to School food activities the week of September 25 to 29, 2017 with menu choices including Maryland grown apples, watermelons, sweet potatoes, and kale.

Students at Hurlock Elementary School got to enjoy fresh vegetable stuffed Jack-o-lanterns. Fifth- grade students at Sandy Hill Elementary School prepared home-made avocado salad dressing and provided samples to all fifth-grade students and teachers. The recipe lesson included dicing, whipping and measuring ingredients. Maple Elementary School participating in the Healthier Lunchroom initiative provided tastings of Watermelon Soup.
