DATE

From Maryland Farms to Maryland Schools

Dorchester County Public School Food Service Department celebrates **Homegrown Farm to School Week September 25 through September 29, 2017**. The schools will offer students local fruits and vegetables consisting of **Maryland Apples, Sweet Potatoes, Kale, Broccoli, and Watermelon**. The Maryland Farm to School promotion highlights local produce and usage throughout the growing season.

DCPS Students will have the opportunity to participate in tasting local produce in recipes such as Watermelon Soup at Maple Elementary School, and Kale Chips at Mace's Lane Middle School. Sandy Hill Elementary School 5th graders will prepare homemade salad dressing using local produce. Signage and trading cards are offered to students to spotlight fruits and vegetables grown by local Eastern Shore Farmers.
