Choptank Elementary School Celebrates Donuts for Dads for all 3rd, 4th, and 5th Grade Students

Choptank Elementary School recently welcomed Dads, Grandads, and father-like figures to the Donuts for Dads event held for 3rd, 4th, and 5th grade students.

The event featured a light continental breakfast as well as a fun activity led by Bernard Johnson. Mr. Johnson had Dads and children complete questionnaires during which each had to answer questions about the other. This sparked conversations between the two, emphasizing Mr. Johnson's point about the importance of spending quality time interacting with a child in a meaningful way.
