“Heavenly Hats Hat Parade” at Maple Elementary School

On Friday, October 5th students at Maple Elementary School participated in the Heavenly Hats Hat Parade. Each student at Maple was asked to donate \$1 to wear their favorite hat to school during the day. The dollar that was donated went to Heavenly Hats, an organization that collects and distributes brand new hats to people of all ages who lose their hair due to cancer treatments. Since its beginning in 2001 Heavenly Hats has distributed over 4 million new hats to hundreds of hospitals and clinics around the country. At the end of the day the students had a parade around the school to show off their hats. It was a fun filled and great event that raised money for a great cause.
