Diana L. Mitchell., Ed.D., Superintendent

DATE: November 27, 2018

Sandy Hill Elementary School's Second Annual Food Drive

Members of the Sandy Hill Elementary School's Young Gentlemen's Club, which was established in 2015, pose with workers from The Salvation Army. This is Sandy Hill's Young Gentlemen's Club second food drive and they collected over 800 nonperishable items to help those in need over the holiday season. Some of the collected items went to the Judy Center, and even helped feed some local families in the school's Meals 'til Monday program.
